BRAINBOX is your personal knowledge file for your favourite topic. A very appealing collection of printed materials designed to satisfy the most information information-hungry of children!

This sturdy box with hinged lid contains:

1) A pack of 32 cards (plus 4 divider cards). The cards are crammed with all-you-need-to-know information and illustrations. The text includes lists, explanations, quirky facts etc. in a very engaging style. Cards can be filed by subject, alphabetically or randomly.

Animals: Animals of all kinds

Space: Sun, planets, moons, comet, asteroids, stars, galaxies, universe, black holes, space travel, astronomy.

Dinosaurs: Individual dinosaurs of all kinds

History: Ancient Egypt, Rome, Greece, China, Islamic empires, Medieval Europe, Vikings, Knights and castles, Aztecs, Mayas and Incas, Mongols, Japan, African empires, Exploration, Renaissance and Reformation, Age of Revolution, America, Modern Age

2) A set of 8 quiz cards

3) A set of 8 cards, die-scored to make into a 32pp "happy families" game (dinosaur types/animal groups/space phenomena eg moons, constellations, gas giants etc./historical figures)

4) Atlas. Detailed maps and accompanying information, giving a chronological or geographical dimension (The story of dinosaurs/Space Atlas/Animal Atlas/World History timeline)

5) Wallchart. Single, spectacular, large-format illustration (Dinosaur attack!/Solar System/African savannah scene/Ancient Worlds)

6) Concertina fold-out. The panoramic format features a scene perfect for adding stickers (prehistoric landscape/starry sky/rainforest/castle)

7) Stickers of dinosaurs/animals/planets/knights etc.
