

Build a Castle Build a Pyramid Sail a Galleon Fly to Mars

SPECIFICATIONS:

175 x 250 mm (P); Extent: 54pp including 6 card dividers and 6 “model” pages with scored dielines (so model pieces can be pressed out of these pages). Spiral bound with a round spine; hardcover; 10,000 words approx.

Text material: 200 gsm (apart from fold out page which should be 150 gsm)

Card dividers with tabs: 300 gsm (tabs to be at right hand side)

Model pages: 300 gsm

There will also be 5 gatefolds (each is one page width and height), two that are 4 pages wide (folds out as concertina), two that are 2 pages wide, and a fold out page which will be 3 page widths wide and 2 page heights tall (525 mm wide x 500 mm tall)

Mission Files have all you need to accomplish a historic mission. Your file is a mine of information and advice, as well as an essential provider of plans and charts.

Each file comes in a handy-size, spiral-bound format and includes six sections separated by card dividers with tab identifiers. Superb, detailed illustrations and comprehensive text combine to guide you through your mission. Concertinas, fold-out charts and model parts are all bound in to give the very authentic feel of a working “file”.
